Turn Compassion Into Action

Become an American Red Cross Volunteer in Central PA today!

Volunteers carry out 90% of the humanitarian work of the American Red Cross. Whether helping one displaced family or thousands, providing care and comfort to an ill or injured service member or veteran, or teaching others how to respond in emergencies, it's through the efforts of ordinary people that we can do extraordinary things. The Red Cross responds to an emergency every 8 minutes, and our vital work is only possible because of people like you.
